## **Allergen Information**

17.07.2025 V1

At Gourmet Pizza Co. your lifestyle choices and dietary requirements are just as important to us as they are to you or someone you care about. We want all our customers to feel comfortable requesting allergen and dietary information when dining with us. Our restaurant has a copy of the *Allergen Information* on hand – *this very guide!* Alternatively, please scan the QR code below or the QR code found at the bottom of our menus to check the information online.

Please note that our menu descriptors do not include all ingredients or allergens. Even if you have chosen the dish previously, please make sure that you check the *Allergen Information* each time you visit and always inform your waiter of your allergy, intolerance or dietary requirements when ordering. Our teams cannot recommend or tell you what is suitable for you to eat or drink. Dishes marked as (V) on our menus are made with vegetarian ingredients.

## **HOW TO USE THIS GUIDE**

Our menu items are listed in rows on the left-hand side. If a menu item contains an allergen in its ingredients, a ' $\checkmark$ ' is displayed on the menu row in the corresponding allergen column. The ' $\checkmark$ ' indicates that allergen is contained in the menu item. If a '\*' is displayed on the menu item row, it refers to ingredients which are produced in a factory with this allergen present and we have deemed that there is a significant risk of contamination.

As our suppliers handle numerous ingredients and allergens, and our dishes are handmade in our busy kitchens, unfortunately, we cannot guarantee that they are 100% free of allergens or contaminants.

NB. In the *'Ingredient'* section of this guide, we do not list any ingredients which are unadulterated, e.g. eggs, tomatoes, peppers, oregano, olive oil, etc.

In accordance with the *EU Food Information Regulation*, we declare the main fourteen allergens. We also declare a further two allergens as per the most frequently requested by our customers; these are *alcohol* and *pine kernels*.
